Big company from the justice area.

Trainee in IT

- Responsible for auxiliary in part of computing, helping with excel sheets, maintenance of databases and emission of certificates to public servers.
-

ACADEMIC FORMATION

Computer Technician, IT

Instituto Federal do Paraná

Conclusion: 2019

Course completion work: Management school lessons

Technologist, System Analysis and Development.

Instituto Federal do Paraná

Conclusion: 2023

KEY SOFTSKILLS:

Proactivity: I anticipate needs and continuously propose improvements.

Ownership Mindset: I take responsibility with a focus on quality and results.

Problem Solving: I analyze situations and deliver quick, effective solutions.

ABOUT ME

I am passionate about soccer. I love watching and playing it.

I love preparing barbecue with my friends.

Fascinated about technology. I love studying and practicing.

OTHER SKILLS

- **Research project** – Robotics in LEGO and Arduino, take in part of competitions – Developer teachers: Emilio Fey, Marcos Barbosa e Marcio Rodrigo;
- **English** – Advanced;
- **Spanish** – Basic;
